www.DatumConstruction.com

Datum Construction is an **8(a) Certified Prime General Contractor** that is uniquely positioned to be the company of choice for federal & private agencies. We do whatever it takes, wherever it takes us.

For over 14 years we have serviced and have maintained strong relationships with our clients in the private sector—completing projects that were built to last a lifetime.

CORE COMPETENCIES

Commercial, Federal, & Multi-Family Prime General Contracting & Construction Management for New Construction, Complex Remodels & Renovations, and General Tenant Improvements.

- **Types of Projects:** Offices, Retail, Multi-Family Housing, Restaurants, Churches, Storage Facilities, Industrial & Manufacturing, Warehouses, Steel Buildings, Concrete Tilt-Up Construction, Medical, Recreational Facilities, & Site Developments.

We Self-Perform: Small Excavation, General Carpentry, Small Steel Stud Framing Projects, Doors, Frames & Hardware Installation, & Specialties Installation.

DIFFERENTIATORS

- Subcontractors are pre-qualified and subject to a financial and criminal background check for all Federal projects.
- Datum Construction is a drug & alcohol free employer.
- We utilize the latest technology to effectively manage our projects and employees that are near and far.
- With offices in both Seattle, WA & Boise, ID we are centrally positioned to ensure performance and remain competitive for our clients throughout the Western United States.
